OLD BUSINESS:

Erie County Auditor, Rick Jeffrey spoke about 6 mill current expense levy. Due to a change in state legislation, it will save the taxpayers 12% in rollback money if we do a renewal levy instead of replacement. Mayor said all committees need to meet soon.

Cou. Failor said a resident asked her to bring some things to council's attention. One is the noise from Rays on the Bay. Solicitor said we do not have a noise ordinance and they are very complicated. You need a decibel meter in order to enforce it. She asked whom to contact to enforce the nuisance ordinance. Solicitor said to put it in writing and bring it to council. Also to contact police chief.

NEW BUSINESS:

Cou. Aichholz made motion to hire Zachary Tyson as part time police officer; 2nd by Cou. Broker. Accepted by all. Solicitor swore him in.

He applied for three grants. One was declined. We were approved for a state grant of \$1358 for training and certain equipment. No decision has been made yet on a federal grant for \$72,000, which we would use for new turnout gear.

Police Chief says we have bags that can be used to dispose of old medications. The pig roast is September 7th. Clemons Boats and Fox Cycles are sponsors. They would like

permission to park a couple of boats and several motorcycles on the grass. Council said fine. Chief asked if there is reimbursement of money for parking permit if event is cancelled due to rain. Solicitor said there is no provision for that in the legislation. August 6th the police are having firearms re qualification. The ammunition is being paid for by the police association.
