
Have You Heard.....?

BAY VIEW NEWS

304 E. Bay View Drive

www.villageofbayview.com T: 419-684-5315

February 2021, Issue 5

Council meetings are held every 1st and 3rd Tuesday monthly at the Fire station until further notice!

Welp, Summer's heat gave way, as it inexorably does, to Fall's chill, and Fall segued into Winter's freeze here in the View.... Let's see what's been happening, and scheduled to happen, in our little hamlet.

Pumpkins in the Park

Pumpkins in the park went very well, with a nice crowd of kids and kin searching for candy, getting pumpkins and decorating kits for home use this year, whacking a candy filled pumpkin pinata, and wolfing down dogs and bakery at Orshoski Park. Prior to the fest, we had our Halloween themed decorated golf cart parade, with the kids deciding the winner, which was the Batmobile. Afterwards, the children's costume contest occurred, and they were ALL winners!

Planting Pretty Trees in the Park

Eight saplings, of varying species, were planted at Orshoski Park. Hopefully, they all find the soil to be most fecund, their roots driving deep and their branches growing ever skyward. If you feel a need to fell one of your diseased arbors, feel just as free to contact councilwoman Behrendt (jbehrendt@villageofbayview.com) for a sapling in the spring, courtesy of the Village.

From a "Distant" Place...

Just a friendly reminder to PLEASE patronize our local businesses often and safely. Buy gift certificates to be used later-it helps in the now. Keep your distance and wear that mask, that we might turn this Covid corner together!

Community News

Yes, we know it's early...

The annual Village wide garage sale has been scheduled for June 11th, 12th and 13th. So, get up in the attic, down in the cellar, into your closet, under your bed and rifle through your garage. One person's junk is another person's better junk.....

Trick or Treat, Covid Style....

Trick or treat just beat the second surge of Covid this year, and thanks are due to all who participated in socially distanced, safe, and sometimes novel ways! Six-foot candy delivery tubes? Really!? Never thought we'd see the day....

It's Beginning to Look a Lot Like Christmas!

YULE remember, hopefully, that the Bay View Homeowners' association once again lit up the waterfront for Christmas. Big thanks to all those elves, several of whom are new to the View, that volunteered their time to help. Santa graced us with his presence/presents twice this year, to light the big tree and deliver gifts to children's homes via our big red fire truck, which is now named, as of this second, Rudy.

The Old Grey Goose, Well.....

The old grey goose seems to have an affinity for getting stranded on Bay ice lately. Two rescues were carried out recently, the second one, a dangerous affair featuring Mayor Gwinner and Brian Nesbitt in a tiny icebreaker. The effort, worthy of a John Williams musical score and a National Geographic special, is much appreciated by the Village. Let's hope the fowl plumpkin stays a land lubber till Spring!

Lake Erie Catfish Challenge

1d · 🌐

Will you be named champion of the bridge with a championship belt to prove it? Winner of our Bayview tournament will receive a championship belt! If you are interested in knowing more please visit www.lakeeriecatfishchallengeusa.com
